TERMS AND CONDITIONS

TERMS—The terms are cash—all payments must be made to the Clerk of the Sale, and no release will be given until satisfactory settlement has been made.

BIDS—The highest bidder will be the buyer. In case of dispute, the animal will again be put up for advance bids between the contending parties, and if there be no advance bid, the buyer will be the party from whom the auctioneer accepted the last bid.

RISK—All animals are at purchaser's risk as soon as sold, but will be cared for free of charge until released by the Royal Winter Fair.

ERRORS—If typographical or other errors are noted in the catalogue, announcement of corrections will be made from the Auction Stand, and such announcements will take precedence over the matter in the catalogue.

PEDIGREES—All animals sold are, or will be registered in the Herd Book of the Breed Association of Canada. Transferred registry certificates will be forwarded to the purchaser of each animal.

HEALTH—All animals are from Fully Accredited T.B. Free herds, or will have passed a Negative T.B. test within thirty days of the sale. All animals will have passed a Negative bloodtest for Brucellosis within 30 days of sale, or otherwise conform to health requirements as approved by the Dominion Health of Animals Branch for the Royal Winter Fair.

SHIPMENTS—All possible aid will be given in making shipment after the sale. Any expenses incident thereto are at cost of the purchaser. Purchasers are requested to furnish all shipping instructions and correct address at time of making settlement.

WARRANTIES—(1) Each consignor guarantees right and title to property. (2) Unless otherwise noted in the catalogue or announced from the Auction Stand, each animal is sold as sound. (3) Each animal is sold as a breeder subject to the following conditions:

A. Males—Should any bull, after having reached the age of 15 months, fail to prove a breeder after being used for four months on cows known to be breeders, the matter shall be reported in writing to the consignor who will then have the privilege of four months on his own premises to prove the bull a breeder, before refunding the full purchase price or make other settlement satisfactory to the buyer.

B. Females—Any female, pregnant when sold, or that calved normally within 90 days of the Sale will be considered a breeder. Bred females are sold as "pregnant" to the best of the consignor's knowledge, and the result of pregnancy examinations will be announced from the stand. However, consignor does not guarantee that a pregnant female will deliver a live calf. Any female not pregnant when sold or that on having reached the age of 18 months should fail to conceive after having been bred regularly for four months to a bull known to be a breeder, and treated by a competent veterinarian, should be reported in writing to the consignor. The consignor will then be granted the privilege of a further period of 4 months to prove the female a breeder in his own premises before refunding the purchase price as full adjustment or make other settlement satisfactory to the purchaser.

(4) The consignor is not responsible for damage caused by foreign bodies after the animal is sold, inclusive of mummified calves, nor for sickness not apparent at sale time.

(5) All transportation charges on animals returned to the consignors are for account of the purchaser. No incidental expenses such as feed, care, veterinary charges, etc., will be charged by either party when making settlement.

ACCIDENTS: The Royal Winter Fair, Auctioneers, Sale Managers, or Owners, will in no way be responsible for the condition of the grounds or the behaviour of the animals and disclaim any liability in the event of personal accident or property loss.

RESPONSIBILITY: It is clearly understood that the Sale Management is acting only as intermediary between buyer and seller and is not responsible for any failure by either party to live up to their obligations. Any legal action that may in extreme cases have to be taken must be between buyer and seller and will in no way involve the Sale Management. In every case, however, the influence of the Sale Management will be exerted so far as possible to hold both parties strictly to these Terms and Conditions of Sale. The Sale Management in mutual agreement with the Breed Association will decide any point not covered by these regulations.

Every person who contributes any animal to the Sale and every one who bids at the Sale, by so doing agrees and endorses the foregoing terms and conditions.

Foreword

Greetings

TO ALL OF YOU

We wish to express the appreciation of the Sale Management to all the breeders whose vision brought about the SALES OF STARS SERIES. It is an honour to have had the opportunity to visit with so many of you at your farms and in your homes, and we feel it is a privilege to offer to the livestock public, these animals that have survived the selection of our inspectors.

TO ALL THE FIELDMEN OF THE ASSOCIATION . . .

TO ALL THOSE WHO HAVE ASSISTED IN ANY WAY

We want you to know that we appreciate your help and advice in making selections. We can never repay you — we can just thank you.

TO OUR CONSIGNORS

To them we are deeply indebted. Their generosity is to be commended; they have given their best. As Sales Managers, we are very proud of the cattle that have been selected. They are worthy of being foundation animals in any herd, anywhere. They have been selected on a no-apology basis. We present them today with no apology.

TO OUR BUYERS

Between the covers in this catalogue, presented for your careful consideration, are breed representatives that are the finest in type and pedigree that united effort and whole-hearted support could make possible. As you turn the pages, remember, that here is presented the highest calibre breeding of the past and present — the future is in your hands.

He is of the best known Polled Shorthorn bloodlines 100% polling. His dam, purchased at the 1949 Indianapolis Congress Sale, is by the well known Lynnwood Nugget X. His sire, White Oak Guard, also a 100% dehorner, is by the International Grand Champion Gosshall Ximenes by the Perth Champion, Coldoch Union Jack. Bowhill Nugget Ximenes should be a 100% dehorner, and transmitter of the excellent type inherited from both sides of his pedigree.

For sale or for show — FUL-O-PEP pays off!

GIVE CALVES A GOOD START!

Make Ful-O-Pep Calf Meal Pellets available early in the calf's life, to supplement cow's milk and to provide the vitamins, proteins and organic source minerals that build quality and size.

Start feeding Ful-O-Pep Calf Meal Pellets in trough as soon as calf will take to it. Give it only what it will clean up . . . DON'T let feed get stale.

PROMOTE FAST GAINS AND SMOOTH FINISH!!

Ful-O-Pep "32%" feeds the Rumen Bacteria. In the Rumen there are billions of these tiny bacteria that do a big job of breaking down the tough, fibrous parts of roughages and grain.

Ful-O-Pep makes these bacteria multiply and grow — helps promote fast and efficient gains.

The Feed of Champions!
